## WORK EXPERIENCE

### Full Stack Developer

Srv Media Private Limited

03/2022 - 09/2024

#### Description

- Developed scalable web applications and websites, consistently delivering high performance and achieving client satisfaction through optimized solutions
- Independently developed dynamic and responsive landing pages using core PHP and MySQL, implementing secure backend form functionality with comprehensive input validation and robust error handling.
- Enhanced functionality and optimized performance for Angular/Django-based platforms, including the Alumni Management Portal (SCAE) and the Material Management System (MMS) built with Django Oscar, improving system efficiency and user experience.
- Collaborated in developing client-focused pages for KPRA Foods (Shopify) and SIU Dubai (Laravel), resolving bugs and customizing features to meet specific client requirements, ensuring a seamless user experience.
- Created the SIU Career Portal for Non-Teaching Staff using core PHP and MySQL, optimizing usability and functionality for a smooth user experience.
- Managed the hosting and maintenance of the Exam app built with Angular and Django, troubleshooting bugs, monitoring exam sessions, and ensuring smooth, uninterrupted operations.
- Engineered and delivered custom WordPress and CodeIgniter websites, addressing complex client challenges with scalable, tailored solutions designed for long-term success.

### Full Stack Developer Intern

Srv Media Private Limited

07/2021 - 04/2022

#### Description

- Assisted in modifying and enhancing existing websites, gaining hands-on experience with web development workflows and processes. Acquired proficiency in both front-end and back-end technologies, including HTML, CSS, PHP, CodeIgniter, and WordPress.
- Worked closely with senior developers to optimize site performance, resolve technical issues, and enhance overall functionality.
- Handled support tickets and implemented updates and improvements to websites and landing pages, ensuring timely resolutions and enhanced user experience.
